

SPEARHEAD TRAVERSE

AN EXPERIENCE THAT'S UNIQUE TO OUR HOME MOUNTAINS

Cross the Spearhead Traverse from Blackcomb Mountain to Whistler Mountain while sleeping under the stars and ski touring your way through mountain cols, across glaciers, and down life-changing slopes. One of the rarest types of excursion you can do in this big world of ours, that is sure to make you king/queen of après.

GET SKILLED!

Our guides will walk you through glacier travel, overnight winter camping, ski touring, personal fitness, technical steep skiing; you name it! This trip encompasses a huge variety of skills needed to be a confident backcountry traveller. Maybe even some nunchuck, bow staff and computer hacking skills if you're lucky.

ONE, TWO, THREE, FOUR NIGHT TRIPS

The trip is possible in one night and two full days of skiing and touring, but if you'd like to boost the daily number of ski runs up, or the cardio down then we can extend to the length of trip you'd like. With gear from Mountain Hardware and Rossignol, you're sure to sleep well and ski hard. Just depends how much of the great outdoors, you can handle!
